OCCUPATIONAL HYGIENE 2009

Promoting a Healthy Working Environment

INTRODUCTION

The Conference Committee of BOHS has produced a programme for Occupational Hygiene 2009 that is varied and covers all the major themes and emerging issues in the field of occupational health and hygiene. It provides an ideal opportunity to network with fellow professionals in a congenial atmosphere, whilst the conference exhibition allows you to meet with a range of suppliers of services and equipment.

The Conference will take place at the Winter Gardens in Eastbourne and the conference dinner will take place at the Cavendish Hotel. Eastbourne offers first class facilities and boasts a superb location in picturesque Sussex countryside at the foot of the South Downs and only an hour and a half from London. You can enjoy Eastbourne's Blue Flag beaches, world-class marina, restored Victorian pier and excellent sunshine record.
