

BOHS Website Review: help us to help you

We are currently in the process of reviewing the BOHS website as part of a redevelopment project which will lead to the launch of a new site in early 2010.

We would appreciate it if you could take a few minutes to complete this short questionnaire. When complete please return to Anthea Page, either by email, anthea@bohs.org, or in the post to BOHS, 5/6 Melbourne Court, Millennium Way, Pride Park, Derby, DE24 8LT.

What (if anything) do you particularly *like* about the current BOHS website. [This might include aspects about its functionality (like on-line booking), its layout and navigation, its content, or its contents management system (for those who are involved in this aspect of it) or its look and feel.]

What (if anything) do you *not like* about the current BOHS website. [As above.]

Is there anything you would like to see from a new website which the current BOHS site doesn't provide/include?

Please provide some contextual information about how and why you utilise the BOHS website, for example: whether or not you are a member and if so, what grade, whether you are involved in any BOHS working groups or committees, etc; whether you are a course provider or examination candidate; if you have contents management access; if/how you utilise the on-line payment function/members' only area etc; and anything else which you consider to be relevant.

Are there any websites that you particularly like? If so, please tell us briefly which ones they are and why you like them.
