Faculty of Occupational Hygiene

Occupational Hygiene Modules examination format and marking scheme

All Occupational Hygiene Modules: M101, M102, M103, M104, M201, M202, M203, S301		
Paper A	40 short answer questions (SAQs) to be answered in approximately 120 minutes. Each question is worth a total of 4 marks.	The total duration of the examination is 3 hours.
Paper B	5 micro essays from a choice of 8, to be answered in approximately 60 minutes. Each micro essay question is worth a total of 20 marks.	
Marking	Marks are awarded for identification of technical points and evidence of understanding and application of knowledge. Answers should be concise, lucid, comprehensible and grammatically correct (minor grammatical errors and occasional spelling mistakes will be ignored). Bullet points are acceptable. Candidates with English as a second language will not be given any special consideration.	
Pass Marks	To obtain a pass, a mark of 50% in each paper is required; to obtain a pass with a credit, 70% in each paper is required.
