

P903 – Legionella – Management and Control of Evaporative Cooling and other High Risk Industrial Systems - Certificate of Authorship

Please return this completed form with your report either by:

- Email to qualifications@bohs.org
- Post to Reports Section, BOHS, 5/6 Melbourne Business Court, Millennium Way, Pride Park, Derby DE24 8LZ

Data protection notice:

We collect your personal data in order to confirm your candidate identity, so that we can process and mark your assignment. The data on this form will only be shared with BOHS assignment markers and will not be shared with any external or third parties, unless we are legally required to do so.

This form and your assignment are both stored on a secure computer server located at the BOHS offices in the UK. We will keep your assignment until you pass your qualification, or the timeframe for completing your qualification has elapsed; after this point, your assignment will be securely destroyed. This form is stored indefinitely as part of your qualification record, as we are legally required to do so.

Certificate of Authorship declaration

I hereby certify that the following survey was carried out by me, the report is my own work and that I have obtained all the relevant permissions to use it for the purpose of completing my examination:

Candidate name	
Date of Birth	
Contact phone number	
Email address	

I confirm the following details:

Contractor/organisation	
Title of survey (this must include the address/location of the premises)	
Date of survey	
Survey number	

If it is subsequently found that the authorship of this report is incorrect, any certificates awarded on the basis of this report will be invalidated and will be withdrawn immediately.

Signed (or print name for electronic submissions)	
Date
