

FAAM Committee Member

Appointment

By members of the Faculty of Asbestos Assessment and Management at the AGM (FAAM Regulations).

The position is held for a three-year period, with a maximum of two terms (six years)

Purpose

The purpose of the Faculty Committee is to

- To pursue excellence for all those who practise in the asbestos assessment and management profession.
- To establish, develop and maintain standards of competence in asbestos assessment and management practice for those who are members of the Faculty of Asbestos Assessment and Management (FAAM).
- To act as the guardian of professional standards and ethics in the profession of asbestos assessment and management.

Committee members will participate in discussion and make decisions relating to qualifications and Faculty membership, in order to fulfil the purpose of the FAAM Committee.

Eligibility

The post-holder must be a member of the Faculty of Asbestos Assessment and Management.

The post-holder must be able and willing to fulfil the duties of the role.

Duties

- Attend four FAAM Committee meetings each year.
- Be appropriately informed and actively involved in discussion and decision-making. This includes:
 - reading and writing papers
 - bringing constructive challenge
 - taking actions and completing them as required and according to timescales set.
- Operate in accordance with the Code of Ethics and participate in disciplinary matters.
- Take an active role in committees or working groups.

Does the appointment attract any payment?

FAAM Committee members are entitled to claim expenses in accordance with the BOHS policy.

Committees

FAAM Committee meetings – 4 times per year (attend).

Committees or working groups as agreed (attend/chair).
